

Northville Township Beautification Commission

Meeting minutes June 4, 2019

Meeting was called to order at 1:03 pm and concluded at 1:48 pm

Present were: Nancy Grandillo, Laura Cash, Jim Porterfield, Sally Hayes, Lynne Mosteller, and Julianne Mundy.

Absent: Sharon Smith, Jim Morche', Julie Mantay, Dottie Mack, Scott Frush, and Sue Hillebrand

Minutes from previous meeting were not approved. This will be done in July.

There is a new email for the Commission: [northvilletwpbeautification@gmail.com](mailto:northvilletwpbeautification@gmail.com)

Discussion on the 2019 judging:

- 300 emails were sent encouraging beautification participation. Participants can send their own photos but we will still continue to judge and take pictures on site.
- Photos taken will be sent to our new email address.
- Stephanie will be asked to announce on all social media that citizens are requested to take photos of their neighborhoods to share on the township website.

Sharon Smith helped the city beatification commission with their spring planting of downtown planters and Julie Mantay wanted her recognized for that effort.

The city commission has invited the township commission to participate in the 4<sup>th</sup> of July parade. Meet at the racetrack at 9:00 am. Suemarie Klimek is in charge; 734-459-8327 or Diane Pittaway at 248-347-1078.

Julianne will take care of Sue Hillebrand's brick for the Friendship garden walkway. The township has extra bricks stored in the basement.

Scott Frush was absent, so discussion on the budget will be asked at the July meeting. Does the Shred-it event still come out of Beautification budget?

The original resolution creating the Commission needs revision. Lynne and Nancy will work on that effort.

Jim Porterfield will be an advisor to our commission on tree related issues. He is not interested in being appointed to serve as a member at this time.

The commission is asking for a clear understanding on who is responsible for the Friendship Garden. Is it the responsibility of the commission or the township maintenance crew? Bulbs were dug up by someone – who and why?

Respectfully submitted:

Nancy Grandillo
