MIDDLE
SCHOOL!

CAMP Hillside & Meads Mill!

Children Adjusting to Middle School Programming

CAMP is designed to help incoming sixth graders build the personal, academic, and life management skills necessary to successfully transition to middle school.

303 W. Main Street
Northville, MI 48167
Phone: 248-344-1618
E-mail: youthnetwork@twp.northville.mi.us

CAMP is a program of
Northville Youth Network in partnership with
Northville Public Schools

August 10-13

**Register by
July 10th**

What People Are Saying About CAMP!

"CAMP addresses all concerns and issues—simple to complex in a fun loving way and relaxed environment."

— Parent

"CAMP is a FANTASTIC program for all incoming 6th graders! It's a huge adjustment to go from elementary school to middle school, and this camp helps to alleviate a lot of the anxiety! Having the opportunity to practice changing classrooms, working with a lock and locker, and getting to meet some of the staff members and other 6th graders is a great advantage. I highly recommend this camp for all incoming middle school students!"

— Parent

When I got to school in the fall, I felt more at ease because I felt like CAMP gave me a trial run of what middle school was going to be like. I also met some cool friends!

— CAMP participant

"My daughter came home from CAMP every day feeling more excited to start middle school!"

— Parent

Highlights of CAMP

- Learn skills to be a successful middle school student:
 - individual goal-setting
 - communication with teachers
 - time-management skills
 - problem-solving skills
 - being proactive
 - using a planner
 - opening the type of lock used on lockers
- Make new friends
- Meet middle school staff (teachers, principal, assistant principals)

CAMP Format

Due to the construction schedule of both middle school buildings, the uncertainty of the future public health guidelines, and the need to get the planning process moving, we decided to offer CAMP as a virtual program using the Zoom platform. While this year's program will certainly have a different feel the dedicated CAMP teachers are planning for a meaningful experience! Because relationship building with fellow students and teachers is an important element of CAMP, we want to not only hear but also see each of our student's smiling faces as we interact with one another as much as possible. **Students must agree to fully participate in each session using both audio and video capabilities.** If a student is not quite comfortable communicating on camera, s/he can use the next month to practice with a friend or relative. Technology resources will be made available for participants that need them.

Each day of CAMP consists of two Zoom sessions with a break in between (times indicated below). Each session will consist of both large and small group instruction and will include fun and engaging activities that will help to acclimate students to the middle school experience as well as cover academic content such as science, social studies, writing and physical education. Independent projects between sessions will also be assigned.

CAMP Staff

We are pleased to welcome back Ms. Monk, Ms. Harris, Mr. Timm, and Mr. Spisich, NPS middle school teachers that LOVE teaching at CAMP!
