By signing this application, the signer affirms all information is accurate and agrees to follow all laws and Township ordinances.

* A three-year license may only be issued during the first-year of a current three-year rabies vaccination.
** Include postage fee only once, whether applying for one or multiple licenses.

Per Township ordinance, the owner of any dog four months or older must apply to the Township for a dog license by January 1 of each year, or every third year at the owner's option. Each application for a dog license must be accompanied by a valid certificate of a current rabies vaccination signed by an accredited veterinarian. Any person becoming the owner of a dog four months old or older after January 1 shall have 30 days to apply for a license. No license issued to one dog shall be transferred to another dog. Three pets are allowed per residence, for lots up to 2 acres. On lots greater than 2 acres, the maximum of 5 pets will be permitted.
